6. PRESENTATION: Mr. John C. Schwabe CHMM, P.S., from the WI-DNR performed a presentation titled "Wisconsin Special Waste Requirements Universal Waste." Mr. Schwabe distributed a hard copy of the presentation to the attendees.

#### **7. ACTION ITEMS:**

a. Web Site Update: The Army National Guard and Air Force Reserve writeups are still needed.

b. Awards: No new nominations were submitted. Members reminded each other to use the nomination form.

c. Training Opportunities: Hugh McAlear mentioned the GLRPP Roundtable, 27-28 February Chicago, IL). Bill Kehoe passed out the Wisconsin Emergency Management 2001-2002 Training Calendar and also discussed the ARROW Recycling/Solid Waste Conference in March. Jerry Rodenberg discussed the Multi State Working Group Conference, 3-4 June (Orlando, FL). Phil Kaplan discussed a EPA RCRA Corrective Action Workshop, 13-14 February (Chicago, IL). Specific information can be located at [www.epa.gov/Region5](http://www.epa.gov/Region5) or by calling 312-886-6212.

d. Opportunity Assessments: Jack Annis indicated that SHWEC has lost funds and positions to perform opportunity assessments. He will be forwarding a website under development to the list serve that will contain P2 resources jointly from the Departments of Agriculture (pesticides), Consumer Protection, Natural Resources, and Commerce (USTs/ASTs, Small Business Assistance under the CAA).

e. Historic File: Mike Miller provided an update on the file.

f. Other Discussion.

- (1) Success Stories - Absorbent laundering in the Army Reserves.
- (2) Laser Painting training - The Iowa Waste Reduction Center can train people on site or at Cedar Rapids, IA. A contact number will be forwarded to the Alliance on the List Serve.
- (3) EMS Training - The Alliance felt it would be desirable to hear about EMS. Jack Annis will arrange an EMS auditor to speak for the next meeting. Monica Lewis mentioned she will try and see if the Air Force has resources for this.
- (4) Electronics Reuse/Recycling - Interest was expressed in learning more about options available for disposing of electronics products. Jack A. will see if a person can be identified to speak to the group.
- (5) Alliance Annual Work Plan for 2002 - Phil Kaplan mentioned that the Alliance needs to review the Annual Work Plan for 2001 and update it for 2002. It was agreed that this topic would be added to the agenda.
